

Invites you to our

ANNUAL OFFICERS SAFETY FORUM

5th MAY 2025

at IAKI hotel & Spa, Constanta

We are excited to invite all maritime students to attend the first day of the Navios Tankers Company Officers Forum!

This is a unique opportunity to learn more about our company, our values, and the career paths we offer. Join us to gain valuable insights, meet industry professionals, and explore how Navios Tankers can be the perfect place to launch your maritime career.

We look forward to helping you take the first step toward an exciting and rewarding future with us!

By joining us on May 5th, you will have the opportunity to learn more about our company, our procedures and our global cadetship program.

Our Cadetship program is part of our ongoing commitment to nurturing talent and fostering professional growth, and we have made significant enhancements to the program that we believe will greatly benefit both our cadets and our organization.

Cultivating a pool of skilled professionals who are well-prepared to contribute to our organization's success.

The enhanced program is also designed to identify and nurture future leaders who will drive innovation and excellence within our industry. Offering a well-rounded and supportive cadetship experience helps in retaining top talent and fostering loyalty among our team members.

For our company, investing in the development of our cadets is vital and we provide robust training and development opportunities.
